There is an advertisement in our columns to which we take much pleasure in referring our readers, because we believe it is and can be conscientiously and heartily recommended. We refer to Hall's Hair Renewer. We remember many cases in our midst of old and middle aged people who formerly wore grey hair, or whose locks were thin and faded, but who now have presentable head pieces, and with no little pride announce to their friends that they haven't a grey hair in their heads. It is a pardonable pride, and the world would be better off, if there was more of it, for when the aged make themselves attractive to others they are more certain to win and retain the esteem and respect to which a burden of well spent years entitles them to. Try Hall's Hair Renewer if you are of the age of those who have thinned or whitened your locks and you will thank us for our advice. (Paw-Handle News, Wellburg, W. Va.)

The thief could not take all, so picked out 25 of the best fleeces and waggled off. About the same time Ed Massey, of Bartlett's precinct, had 25 fleeces stolen, which was all he had. This is a new sort of thieving.

Threshers from a Mile and Killed Out Right.

Mr. George Hoover, one of our best citizens, had recently moved from his old home to Buford and had started a mill at that place. On Wednesday last he started to drive a cow and calf from his former home to Buford. He was riding a mule. He was found dead near the farm of Dr. Thomas Massey and was considerably bruised. One shoulder was out of joint, a bruise, as if from a kick on one leg, his breast terribly bruised and a bruise over one eye. It is supposed that he had been dead about three hours when found. The mule returned to the old farm which caused fears of accident, and a search was made, which resulted in finding him dead beside a log, about sundown that evening. The remains were interred at Bartlett's Creek church the next day. He was a man of the fraterly attended his funeral and performed the last rites according to the custom of the ancient order. The friends and family of the deceased have the sympathy of the public in this their bereavement.
